

Sangamon County Department of Public Health

March 18th, 2020

Dear WIC Participant,

Due to the COVID-19 pandemic the WIC office is curbside pick-up only until further notice. The health and safety of the community and staff are very important to our agency. This decision will insure all participants will still be able to receive the proper nutritional education and benefits they would receive if they were in the office. Please call 217-535-3102 to speak to WIC staff directly. Persons with disabilities who require alternative means of communication or curbside pickup will need to contact the office for further direction. Please be prepared to show your wic card or a photo ID upon pick-up.

Thank you,

Lisa Jones R.N.
WIC Coordinator Sangamon County Department of Public Health
